sponsored by the Santa Barbara Yacht Club*

*Dave Perry is well known for his enthusiastic and engaging teaching style for sailors of all ages and levels, as well as highly respected for his deep knowledge of the sport of Sailing. He is one of the sport's leading coaches and rules experts, serving on the US Sailing Appeals Committee and being the Rules Advisor for several recent America's Cup teams and the US Sailing Team at the 2008, 2012 and 2021 Olympic Games.*

Dave is excited to “return” to the Santa Barbara area and continue his online work with the sailors and race officials in the area, to help them know the rules better so they are more confident in close-quarter action at the starts and around the marks, and so they can play and run the game at a higher level. Dave encourages sailors of all abilities, or who normally crew, to join us because knowing the rules better will dramatically increase their racing enjoyment.
