9.1 The racing area will be the Santa Barbara Channel near SBYC.

9.2 The area defined by a line commencing at the nearest shore connecting each contiguous City swim buoy is classified as an obstruction. Boats that cross this line shall exit and retire immediately. This applies to all swim buoys, including the harbor mouth and beaches.

10.4 Courses may not be shortened.

## 11 MARKS

## **21 SAFETY**

- 21.1 Boat Owners participating in SBYC racing events must accept responsibility for the suitability of their vessel for each event entered; taking into consideration the distance, worse case sea conditions, the design and sea worthiness of the vessel for those conditions. Boat owners are expected to maintain their vessels in a commensurate manner.

Boat owners accept the responsibility to provide all safety equipment required by the Coast Guard, and such additional safety equipment it deems advisable for the conditions reasonably expected to occur during the race.

Boat owners are encouraged to become knowledgeable with safety equipment and rescue procedures by familiarizing themselves with the recommendations of national (US Sailing) and / or international racing authorities (ISAF) including the US Sailing Safety Equipment Requirements as stated in <http://www.ussailing.org/safety/equipment-and-requirements/> When local educational safety seminars are held, all boat owners are expected to attend to insure the highest level of safe racing knowledge.

Immediately prior to any race, the decision to race or not race is the sole responsibility of the boat owner or the owner's designee. At all times during a race, it is the boat owner's responsibility to continue or to retire based on unexpected conditions or equipment failure. Boat owners must advise crew members of their responsibility to decide for themselves whether to race or not based on their own competence level.

## **21 DISCLAIMER OF LIABILITY**

- 21.1 Participants in this event compete entirely at their own risk. See RRS Rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury sustained in conjunction with or prior to, during, or after the regatta.
