9.1 A damage deposit of \$500 per incident may be collected upon damage done to a boat after said incident. This deposit is the maximum payable by the team as a result of any one incident.

9.2 In an incident that caused damage, the damage deposit will be collected from the boat found to be in the wrong in that incident. If no protest is filed and no boat/competitor admits fault, the damage deposit will be equally charged to all boats involved in the incident. Damage deposits will be charged to the corresponding Staff Commodore(s) SBYC account.

9.3 Competitors are responsible for inspecting their assigned boats before each race for possible breakdowns and missing equipment. Discrepancies must be reported to the RC immediately.

9.4 Competitors shall report any damage, breakdown, or loss of equipment, however slight, to the RC at the first reasonable opportunity.

9.5 If there is an equipment breakdown that was unforeseeable by the crew and prevents a boat from completing a race, the Race Committee may decide to re-sail the race or award redress.

10. **CREW [DP]**

10.1 Each qualified skipper is responsible for providing one crew member. Children under the age of 13 that are racing with their parent staff commodore shall not count towards the crew limit.

10.2 A Harbor 20 boat owner or owner's representative may accompany each boat.

11 **PENALTY SYSTEM**

11.1 Appendix V, Rule V1 will apply: The first two sentences of rule 44.1 are changed to: 'A boat may take a One-Turn Penalty when she may have broken one or more rules of Part 2 or rule 31 in an incident while *racing*. However, when she may have broken one or more rules of Part 2 while in the *zone* around a *mark* other than a starting *mark*, her penalty shall be a Two-Turns Penalty.'

11.2 Appendix V, Rule V2 – Post Race Penalties will apply:

- Provided that rule 44.1(b) does not apply, a boat that may have broken one or more rules of Part 2 or rule 31 in an incident may take a Post-Race Penalty at any time after the race until the beginning of a protest hearing involving the incident.
- A Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c). However, rule 44.1(a) applies.

- (c) A boat takes a Post-Race Penalty by delivering to the race office a written statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

12. SCORING

- 12.1 The low-point scoring system of Appendix A will apply except that a team's series score will be the total of all their race scores. One race must be completed to constitute a series.
- 12.2 Each commodore will sail their own boat but will be teamed up with at least one other commodore's boat for a combined team score for each race. (Example: Team A finishes 1st and 4th in the race = 5 points and team B finishes 2nd and 3rd in the race = 5 points).
- 12.3 Series ties will be broken using Appendix A. Individual race scores for every boat on a given team shall be listed in order from best to worst. The tied teams individual boat race scores shall be compared and at the first point(s) where there is a difference the tie shall be broken in favor of the team with the best scores.

15. RISK STATEMENT

RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform, and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**
