## **Thomas W. Fair 1953**

1896-1973

As commodore in 1953, Tom was host to the SCYA Summer Regatta. Tom and his wife, "Mike," are remembered by visiting yachtsmen for being most gracious hosts. As manager for many years of the local office of the Auto Club of Southern California, and a member of the Rotary Club, he had many friends and was well known in the business community. His sailing began as a crewmember of the Lourita, and later he crewed regularly on the Brilliant. Active in his community, he was elected El Presidente of Santa Barbara's annual Old Spanish Days Fiesta for 1965.
