Jens H. Christensen, 1959

1916-2006

“Chris” Christensen was the tri-county district manager for a nationally affiliated insurance agency. Chris put a lot of energy into maritime activities. He was a director for Semana Nautica, a director of the Lake Cachuma Yacht Club, a local delegate to the Southern California Yachting Association, and a member of the Montecito Country Club. He was an active skipper in the Flat-tie Fleet, and was often accompanied by his two sons, Kit and Kim. Active in youth programs on the waterfront, Chris then served as chairman of the Yacht Club’s youth committee and developed the junior organization for the club.
