

Hitch Hiker

Wet Wednesdays

Have you ever been sail boat racing? Do you want to go?

On Wednesdays in March, boats will be picking up those who want to go out for a race. Hitch hikers can simply sit on the break wall in front of the Santa Barbara Yacht club from 4:00-4:30pm between the two orange flags.

(*Lifejackets will be available on the Santa Barbara Youth Foundation sailing dock for those that want them).

What: Go out sailing on a Wet Wednesday race

When: Wednesdays in March

Where: Get picked up on the break wall just out in front of the club

What to wear: Shorts for men, yoga pants for women, shoes that don't have black soles. Warmer clothes are good (better to be too hot than too cold).
